

Roger Store

Warranty Policy

This Warranty Policy describes the warranty coverage provided by Roger Store for its technology products and electronics. Customers are advised to review the terms and conditions outlined below.

Standard Warranty

- 1 year comprehensive warranty on all primary electronic devices, including headphones, keyboards, mice, monitors, speakers, and controllers.
- 6 month warranty on consumable or internal components, such as rechargeable batteries.

What is Covered

- Electronic component or logic board failure.
- Hardware malfunctions caused by a manufacturing defect.
- Premature battery degradation (holding less than 50% capacity) under normal usage conditions.

What is Not Covered

- Physical damage caused by the customer (such as dropped monitors or snapped headset bands).
- Damage resulting from liquid spills or submersion.
- Damage caused by unauthorized modifications or third-party repairs.
- Normal wear and tear due to regular product usage (such as worn-out earcups or faded keyboard keycaps).

Claiming Warranty

- Contact customer support with the order ID and a detailed description of the issue.
- You will be asked to ship the product or provide video evidence for an initial remote diagnostic process.
- Approved warranty claims (repair or replacement) will be resolved within 7 working days of the inspection.
